- (20) **öDecentralized processingö** means establishment of dispersed facilities for maximizing the processing of biodegradable waste and recovery of recyclables closest to the source of generation so as to minimize transportation of waste for processing or disposal ;
- (21) **öDeliveryö** means handing over any category of solid waste to worker of Patnitop Development Authority or any other person appointed, authorised or licensed by Patnitop Development Authority for taking delivery of such waste or depositing it in any vehicle provided by Patnitop Development Authority, or by any other authorised agency or licensed by Patnitop Development Authority, to do so ;
- (22) **öDisposalö** means the final and safe disposal of post processed residual solid waste and inert street sweepings and silt from surface drains on land to prevent contamination of ground water, surface water, ambient air and attraction of animals or birds ;
- (23) **öDomestic hazardous wasteö** means discarded paint drums, pesticide cans, CFL bulbs, tube lights, expired medicines, broken mercury thermometers, used batteries,

used needles and syringes and contaminated gauge, etc.,
generated at the household level ;

- (24) **öDoor to door collectionö** means collection of solid waste from the door step of households, shops, commercial establishments, offices, institutional or any other non-residential premises and includes collection of such waste from entry gate or a designated location on the ground floor in a housing society, multistoried building or apartments, large residential, commercial or institutional complex or premises ;
- (25) **öDry wasteö** means waste other than bio-degradable waste and inert street sweepings and includes recyclable and non recyclable waste, combustible waste and sanitary napkin and diapers, etc. ;
- (26) **öDump sitesö** means a land utilized by Patnitop Development Authority for disposal of solid waste without following the principles of sanitary land filling ;
- (27) **öEventö** means any gatherings for the purpose of functions, celebrations, meetings, rallies, processions, open air theatre activities, cinema shootings in public places ;
- (28) **öExtended producer responsibilityö (EPR)** means responsibility of any producer of packaging products such as plastic, tin, glass, wrappers and corrugated boxes, etc., for environmentally sound management, till end-of-life of the packaging products ;
- (29) **öE-wasteö** shall have the same meaning as defined under Rule 3(l) (r) of the E-Waste (Management) Rules, 2016 ;
- (30) **öFacilityö** means any establishment wherein the solid waste management processes namely segregation, recovery, storage, collection, recycling, processing, treatment or safe disposal are carried out ;
- (31) **öFamiliarization/warning periodö** means that specific period, during which there is a relaxation in the fines for contravention of these bye-laws ;

- (32) **“Fine”** means penalty imposed on waste generators or operators of waste processing and disposal facilities under the bye-laws for non-compliance of the directions contained in rules and/or these bye-laws ;
- (33) **“Fixed Compactor Transfer Station (FCTS)”** means a powered machine which is designed to compact segregated solid waste and remains stationary when in operation. The compacts or may also be mobile when in operation, which may be called Mobile Transfer Station (MTS) ;
- (34) **“Handling”** includes all activities relating to sorting, segregation, material recovery, collection, secondary storage, shredding, baling, crushing, loading, unloading, transportation, processing and disposal of solid wastes ;
- (35) **“Hazardous waste”** means any waste which by reason of any of its physical, chemical, reactive, toxic, causing danger or is likely to cause danger to health or environment, whether alone or when in contact with other wastes or substances and all other hazardous wastes as defined in the Hazardous Wastes (Management and Handling) Rules, 1989 as amended to date and the Hazardous and other waste (Management and Transboundary Movement) Rules, 2016 ;
- (36) **“Horticulture, Parks and Garden Waste”** means waste from parks, gardens traffic island etc. These include grass clipping, annual weeds woody 'brown' carbon-rich material such as branches, twigs, wood chipping, straw, dead leaves, tree trimmings, etc. which cannot be accommodated in the daily collection system for bio-degradable waste ;
- (37) **“House-gully”** means a passage or strip of land, constructed, set apart or utilized for the purpose of serving as or carrying a drain or affording access to the latrine, urinal, cesspool or other receptacle for filling of other polluted matter by persons employed in the clearing thereof or in the removal of such matter therefrom ;

- (38) **öIncinerationö** means an engineered process involving burning or combustion of solid waste to thermally degraded waste materials at high temperatures ;
- (39) **öInertsö** means wastes which are not bio-degradable, recyclable or combustible street sweeping or dust and silt removed from the surface drains ;
- (40) **öInformal waste collectorö** includes individuals, associations or waste traders who are involved in sorting, sale and purchase of recyclable materials ;
- (41) **öLeachateö** means the liquid that seeps through solid waste or other medium and has extracts of dissolved or suspended material from it ;
- (42) **öLitterö** means all refuse and includes any other waste material which, if thrown or deposited as prohibited under these Bye-Laws, tends to create uncleanness or a danger or nuisance to public health, safety or welfare ;
- (43) **öLitteringö** means putting litter in such a location that it falls, descends, blows, is washed, percolates or otherwise escapes or is likely to fall, descend blow, be washed, percolate or otherwise escape into or onto any public place, or causing, permitting or allowing litter to fall, descend, blow, washed, percolate or otherwise escape into or onto any public place ;
- (44) **öLocal bodyö** for the purpose of these bye-laws means Patnitop Development Authority, in the State ;
- (45) **öMaterials Recovery facilityö** (MRF) means a facility where non-compostable solid waste can be temporarily stored by the Patnitop Development Authority or any other entity or any person or agency authorised by any of them to facilitate segregation, sorting and recovery of recyclables from various components of waste by authorised informal sector of waste pickers, informal recyclers or any other work force engaged by the Patnitop Development Authority or entity for the purpose before the waste is delivered or taken up for its processing or disposal ;

- (46) "Neighbourhood" means a clearly defined locality, with reference to its physical layout, character or inhabitants ;
- (47) "New construction" means all buildings under construction within the limits of the Patnitop Development Authority ;
- (48) "Non-biodegradable waste" means any waste that cannot be degraded by microorganisms into simpler stable compounds ;
- (49) "Nuisance" includes any act, omission, place or thing which comes or is likely to cause injury, danger, annoyance or offence to the sense of sight, smelling or hearing or which is or may be dangerous to life or injurious to health or property ;
- (50) "Nuisance Detectors" (NOs) means those employees of the Patnitop Development Authority who are appointed to detect the acts of Public nuisance, etc. ;
- (51) "Occupier/occupant" includes any person who for the time being is in occupation of, or otherwise using, any land or building or part thereof, for any purpose whatsoever ;
- (52) "Operator of a facility" means a person or entity, who owns or operates a facility for handling solid waste which includes the Patnitop Development Authority and any other entity or agency appointed by the Patnitop Development Authority ;
- (53) "Owner" means any person who exercises the rights of an owner of any building, or land or part thereof ;
- (54) "Pelletisation" means a process whereby pellets are prepared which are small cubes or cylindrical pieces made out of solid waste and includes, fuel pellets which are also referred as refuse derived fuel ;
- (55) "Primary collection" means collecting, lifting and removal of segregated solid waste from source of its generation including households, shops, offices and any other non-residential premises or from any collection points or any

other location specified by the Patnitop Development Authority ;

- (56) - **Processing** means any scientific process by which segregated solid waste is handled for the purpose of reuse, recycling or transformation into new products ;
- (57) **Public place** includes any road, arch road, viaduct, lane, footway, alley or passage, highway, causeway, bridge, square alley or passage whether a thoroughfare or not over which the public have a right of passage, and such places to which the public has access such as parks, gardens, recreation grounds, playgrounds, beaches, water bodies, water courses, public plazas and promenades, government and municipal buildings, public hospitals, markets, slaughter houses, courts, etc. ;
- (58) **Prescribed** means prescribed by SWM Rules and/or these bye-laws ;
- (59) **Receptacle** means any storage container, including bins and bags, used for the storage of any category of MSW ;
- (60) **Recycling** means the process of transforming segregated non-biodegradable solid waste into new material or product or as raw material for producing new products which may or may not be similar to the original products ;
- (61) **Recyclable Waste** means the waste that is commonly found in the MSW. It is also called as **Dry Waste**. These include many kinds of glass, paper, metal, plastic, textiles, electronics goods, etc. ;
- (62) **Redevelopment** means rebuilding of old residential or commercial buildings at the same site, where the existing buildings and other infrastructures have become dilapidated ;
- (63) **Refuse** means any waste matter generated out of different activities, processes, either Bio-degradable/Non-biodegradable/recyclable in nature in either solid or semi-

solid form which cannot be consumed, used or processed by the generator in its existing form ;

- (64) **Refuse Derived Fuel** (RDF) means fuel derived from combustible waste fraction of solid waste like plastic, wood, pulp or organic waste, other than chlorinated materials, in the form of pellets or fluff produced by drying, shredding, dehydrating and compacting of solid waste ;
- (65) **Residual solid waste** means and includes the waste and rejects from the solid waste processing facilities which are not suitable for recycling or further processing ;
- (66) **Rule** means Solid Waste Management Rules, 2016 ;
- (67) **Sanitation** means the promotion of hygiene and the prevention of disease and other consequences of ill health relating to environmental factors ;
- (68) **Sanitary Landfill Facility** means a waste disposal site for the deposit of residual solid waste in a facility designed with protective measures against pollution of ground water, surface water and air fugitive dust, wind-blown litter, bad odour, fire hazard, bird menace, pests or rodents, greenhouse gas emissions, slope instability and erosion ;
- (69) **Sanitary land filling** means the final and safe disposal of residual solid waste and inert wastes on land in a facility designed with protective measures against pollution of ground water, surface water and fugitive air dust, wind-blown litter, bad odour, fire hazard, animal menace, bird menace, pests or rodents, greenhouse gas emissions, persistent organic pollutants slope instability and erosion ;
- (70) **Sanitary waste** means wastes comprising of used diapers, sanitary towels or napkins, tampons, condoms, incontinence sheets and any other similar waste ;
- (71) **Sanitary worker** means a person employed by the Patnitop Development Authority for collecting or removing MSW or cleansing the drains in the PDA jurisdiction ;

- (72) - **Schedule**ö means the Schedule appended to these rules ;
- (73) **Storage**ö means the temporary containment of solid waste in a manner so as to prevent littering, attraction to vectors, stray animals and excessive foul odour ;
- (74) **Secondary storage**ö means the temporary containment of solid waste after collection at secondary waste storage depots or MRFs or bins for onward transportation of the waste to the processing or disposal facility ;
- (75) **Segregation**ö means sorting and separate storage of various components of solid waste namely biodegradable wastes including agriculture and dairy waste, non biodegradable wastes including recyclable waste, non-recyclable combustible waste, sanitary waste and non recyclable inert waste, domestic hazardous wastes, and construction and demolition wastes ;
- (76) **Service provider**ö means an authority providing public utility services like water, sewerage, electricity, telephone, roads, drainage, etc. ;
- (77) **Solid waste**ö means and includes solid or semi-solid domestic waste, sanitary waste, commercial waste, institutional waste, catering and market waste and other non-residential wastes, street sweepings, silt removed or collected from the surface drains, horticulture waste, agriculture and dairy waste, treated bio-medical waste, Hazardous waste excluding industrial waste, bio-medical waste and e-waste, battery waste, radio-active waste generated in the area under the local authorities and other entities ;
- (78) **Sorting**ö means separating various components and categories of recyclables such as paper, plastic, cardboards, metal, glass, etc., from mixed waste as may be appropriate to facilitate recycling ;
- (79) **Source**ö means the premises in which the waste is generated or a community storage centre used by owners/

occupiers of one or more premises for segregated storage of MSW ;

- (80) **Spittoon** means a metal or earthenware pot typically having a funnel-shaped top, used for spitting into ;
- (81) **Stabilising** means the biological decomposition of biodegradable wastes to a stable state where it generates no leachate or offensive odours and is fit for application to farm land, soil erosion control and soil remediation ;
- (82) **Stabilised biodegradable waste** means the biologically stabilized (free of pathogens) waste resulting from the mechanical/biological treatment of bio degradable waste ; only when stabilised can such waste be used with no further restrictions ;
- (83) **Street vendor** means any person engaged in vending of articles, goods, wares, food items or merchandise of everyday use or offering services to the general public, in a street, lane, side walk, footpath, pavement, public park or any other public place or private area, from a temporary built up structure or by moving from place to place and includes hawker, peddler, squatter and all other synonymous terms which may be local or region specific ; and the words **street vending** with their grammatical variations and cognate expressions, shall be construed accordingly ;
- (84) **Tipping fee** means a fee or support price determined by the local authorities or any state agency authorised by the State government to be paid to the concessionaire or operator of waste processing facility or for disposal of residual solid waste at the landfill ;
- (85) **Transportation** means conveyance of solid waste, either treated, partly treated or untreated from a location to another location in an environmentally sound manner through specially designed and covered transport system so as to prevent the foul odour, littering and unsightly conditions ;
- (86) **Transfer station** means a facility created to receive solid waste from collection areas and transport in bulk in

covered vehicles or containers to waste processing and, or, disposal facilities ;

- (87) - **Treatment**ö means the method, technique or process designed to modify physical, chemical or biological characteristics or composition of any waste so as to reduce its volume and potential to cause harm ;
- (88) **User fee/Charges**ö means fees or charges imposed by Patnitop Development Authority, Kud through general or special order of the Competent Authority from time-to-time, on the waste generator to cover full or part cost of providing solid waste collection, transportation, processing and disposal services ;
- (89) **Vacant Plot**ö means any Land or open space belonging to a private party/person that is not occupied by them/him ;
- (90) **Vermi composting**ö means the process of conversion of bio-degradable waste into compost using earth worms ;
- (91) **Waste hierarchy**ö means the priority order in which the solid waste is to be managed by giving emphasis to prevention, reduction reuse, recycling, recovery and disposal, with prevention being the most preferred option and the disposal at the landfill being the least ;
- (92) **Waste generator**ö means and includes every person or group of persons, every residential premises and non-residential establishments including Indian Railways, defence establishments, which generate solid waste or other institutions i. e. Hotels, restaurants, malls, private/government business/industrial establishments falling within the limits of Patnitop Development Authority ;
- (93) **Waste picker**ö means a person or groups of persons informally engaged in collection and recovery of reusable and recyclable solid waste from the source of waste generation, streets, bins, material recovery facilities, processing and waste disposal facilities for sale to recyclers directly or through intermediaries to earn their livelihood.

CHAPTER II

Segregation and primary storage of solid waste

4. Segregation and storage of solid waste at source.

(1) It shall be necessary for all waste generators to separate and store the solid waste coming out of their own places regularly into three streams namely

- (a) non-biodegradable or dry waste ;
- (b) biodegradable or wet waste ;
- (c) domestic hazardous waste; and deposit it into covered waste bins, and handover segregated waste to designated waste collectors as per the direction of Patnitop Development Authority from time to time.

(2) Every bulk waste generator is to separate and store the solid waste coming out of their own places into three streams namely

- (a) non-biodegradable or dry waste ;
- (b) biodegradable or wet waste ;
- (c) hazardous waste in suitable bins ; and handover segregated waste to authorised waste processing or disposal facilities or deposition centres through the authorised waste collection agency with paying the carrying charges specified by Patnitop Development Authority from time to time.

(3) The colour of bins for storage of segregated waste shall be green-for biodegradable waste or wet waste blue-for non-biodegradable or dry waste and black-for domestic hazardous waste.

(4) All resident welfare and market associations shall ensure segregation of waste at source by the generators, facilitate collection of segregated waste in separate streams, handover recyclable material to either the authorised waste pickers or the authorised recyclers. The biodegradable waste shall be processed, treated and disposed of through composting or bio-methanation within the premises as far as possible. The residual waste shall be given to the waste collectors or agency as directed by Patnitop Development Authority.

(11) Domestic Hazardous Waste shall be stored and delivered by every waste generator to the collection vehicle which shall be provided weekly/periodically by Patnitop Development Authority or any other Agency authorised by it for collection of such waste, or to a centre designed for collection of such waste for disposal in a manner that is mandated by the Government of Jammu and Kashmir or State Pollution Control Board.

(12) Construction and Demolition Waste shall be stored and delivered separately as per the Construction and Demolition Waste Management Rules, 2016.

(13) No untreated bio-medical waste, e-waste, hazardous chemicals and industrial waste shall be mixed with solid waste. Such waste shall be disposed off in accordance with the respective rules framed under the Environment (Protection) Act, 1986.

(14) Every owner/occupier of any premises other than designated slaughter houses and markets, who generates poultry, fish and slaughter waste as a result of any commercial activity, shall store the same separately in closed, hygienic condition and deliver it at a specified time, on a daily basis to the Patnitop Development Authority, collection vehicle provided for this purpose. Depositing of such waste in any community waste bin is strictly prohibited.

(15) Segregated bio-degradable solid waste if not composted by the generators, shall be stored by them within their premises and its delivery shall be ensured to the worker/vehicle/waste picker/waste collector or to the bio-degradable waste collection vehicle provided for specified commercial generators of bulk bio-degradable waste at such times as may be notified from time to time.

CHAPTER III

Solid waste collection

5. Collection of Solid Waste. (1) In compliance with SWM Rules, 2016, door to door collection of segregated solid waste shall be implemented in all areas or Wards of Patnitop Development Authority, to collect garbage from every house, including slums and informal settlements on a daily basis by integrating the informal door to door collection system with Patnitop Development Authority collection system.

(2) In order to collect garbage from every house, area-wise specific time slot shall be set and published at conspicuous parts of that area and on the website of Patnitop Development Authority. Commonly, time for house to house garbage collection shall be set from 5.30 A. M. to 10.30 A. M. for summer and for winter 7:00 A. M. to 11:00 A. M. For collection of garbage from trading establishments, shops in commercial areas or any other institutional waste generators, commonly the time shall be from 7.30 A. M. to 11.00 A. M. However, sweeping can be undertaken twice daily, if required at public and commercial places. The timing for collection of garbage from the trading establishments, shops in commercial areas or any other institutional waste generators shall be decided by the Patnitop Development Authority accordingly.

(3) Arrangements shall be made for collection of residual solid waste from bulk waste generators, which are processing waste in-situ.

(4) Residual solid waste from vegetable, fruit, flower, meat, poultry and fish market shall be collected on day to day basis.

(5) Horticulture and garden waste shall be separately collected and disposed off. One or two days in a week shall be specified for this purpose.

(6) To make optimum use of bio-degradable waste from fruits and vegetable markets, meat and fish markets, bulk horticulture and garden waste and to minimize the cost of collection and transportation, such waste shall be processed or treated within the area where waste is generated.

(7) Manual handling of waste in the containers shall be prohibited. If unavoidable due to constraints, manual handling shall be carried out under proper protection with due care for safety of workers.

(8) Waste generators shall be responsible to deposit their segregated waste in the Auto-Tipper/Rickshaws etc. deployed by Patnitop Development Authority. Segregated waste from multistoried buildings, apartments, housing complexes may be collected from the entry gate or any other designated location.

(9) Changing needs and advances in technology shall be taken into consideration for selection of collection equipment and vehicles. Auto-Tippers or vehicles of specific capacity with hydraulically operated hopper covering mechanism from top having two compartments for carrying

biodegradable and non-biodegradable waste separately with a hooter shall be deployed for collection of waste.

(10) Automatic voice recorded device, bell or horn having sound not more than the permissible noise level shall be installed on every garbage collection vehicle used by waste collectors.

(11) Route plans for each primary collection and transportation vehicle shall be provided by Patnitop Development Authority or by the notified authorised waste collector. These plans in tabular as well as GIS map form, duly approved by Patnitop Development Authority shall mention starting point, start time, waiting points, waiting time on route, end point and end time of the specified route. Patnitop Development Authority or the notified authorised waste collector shall provide a 'Board' at each street to display time-table of primary collection and transportation vehicles to allow residents avail the facility at prescribed time. Such information shall also be uploaded on the website of Patnitop Development Authority and published in the local leading newspaper periodically for the information of General Public.

(12) In narrow streets that cannot be serviced by auto tipper or the vehicle, a 3-Wheeler or smaller motorized vehicle with hydraulically operated hopper covering mechanism from top having two compartments for carrying wet and dry waste separately with a hooter, compatible with mobile transfer station shall be deployed.

(13) In congested and narrower streets that cannot even be serviced by 3-Wheeler or smaller vehicle, cycle rickshaws or any other type of suitable equipment shall be deployed.

(14) Smaller, narrow and congested streets/lanes where even a 3-wheeler/rickshaw etc. cannot operate, vantage points shall be designated at the start of the locality/street where the collection vehicle shall be parked and the helper/driver of vehicle shall carry a whistle and walk in the locality to announce arrival of vehicle for collecting solid waste. Time table for such collection system shall be displayed at the notice board and uploaded on the website of Patnitop Development Authority.

(15) Auto tippers, 3-wheelers, rickshaws and any other type of collection vehicles engaged in this service shall collect waste only from households and not from any other source viz. dhalaos, open sites, ground, bins and drains etc.

(5) Containers of various sizes in the secondary storage depots shall be provided by Patnitop Development Authority or any assigned agencies in different colours as mentioned in these bye-laws.

(6) Storage facilities shall be created and established by taking into account quantities of waste generation in a given area and the density of population.

(7) Storage facilities shall be user friendly and shall be so designed that it ensures compaction of waste and that the waste stored is not exposed to open atmosphere.

(8) All the housing cooperative societies, associations, residential and commercial establishments and gated communities etc. shall have the responsibility to put coloured bins as prescribed by these bye-laws and to keep adequate number of containers in appropriate places in their own complexes, so that the daily waste generated there can be properly deposited.

(9) Patnitop Development Authority or its specified agency shall carry out washing and disinfection of all the bins on a weekly basis.

(10) Recycling Centers for Dry Waste (Non-Biodegradable Waste)ô

- (a) Patnitop Development Authority shall convert its existing Dhalaos or identify specific location as per requirement, as 'Recycling Centers' which shall be used for segregation of dry waste received through street/door to door waste collection service. Recycling centers may be increased depending on the quantity of dry waste received ;
- (b) Dry (non-biodegradable) waste from street/door-to-door collection system and from commercial establishments shall be transferred only to these designated recycling centersø These designated centers shall receive only dry waste ;
- (c) There shall also be a provision for the households to directly deposit or sell their recyclable dry waste to the authorised agents and/or authorised waste dealers of Patnitop Development Authority at these recycling centers at pre-notified rates. A weighing scale and a counter shall be provided

(4) Wherever applicable, for bio-degradable waste, preference shall be given for on-site processing of such waste.

(5) Collected non-bio-degradable waste shall be transported to the respective processing facilities or secondary storage facilities.

(6) Construction and Demolition Waste shall be transported as per the provisions of the Construction and Demolition Waste Management Rules, 2016.

(7) Patnitop Development Authority shall make arrangements for transportation of inerts in a proper manner. The street sweeping waste and removable drain silt shall be removed immediately after the work is over.

(8) Transportation vehicles shall be so designed that multiple handling of waste, prior to final disposal, is avoided.

(9) The collection vehicles engaged for the purpose shall deposit/transfer waste only at the MTS (Mobile Transfer Station) or FCTS (Fixed compactor Transfer Stations) wherever provided.

(10) In case MTS/FCTS is not stationed at the designated location at that point of time for any reason, then the 'loaded vehicle' shall go to the next designated location of the MTS or FCTS or the site specified by Patnitop Development Authority to unload the waste.

(11) Fixed compactor transfer station shall be transported through hook loader.

(12) MTS or FCTS shall transport the waste directly to compost plant, waste to energy plant or any other site/plant designated by Patnitop Development Authority.

(13) There should be no inter-mixing of waste from various sources during the transportation of waste.

(14) The services of street level collection and transportation of waste shall be provided every day including holidays.

(15) MTS engaged in this service shall receive waste only from designated auto tippers, 3-wheelers or vehicle/bins collecting waste from street level operations.

(2) Patnitop Development Authority shall endeavour to create a market for consumption of RDF (Refuse Derived Fuel). The cement factories are liable to take RDF from PDA dumping sites who have to use RDF to the order of 5% of the total fuel burnt by them in their kilns.

(3) In waste to energy plant by direct incineration, absolute segregation shall be mandatory and be part of the terms and conditions of the relevant contracts.

(4) Patnitop Development Authority shall ensure that recyclables such as paper, plastic, metal, glass, textile etc. go to authorised recyclers.

9. Other guidelines for processing of solid waste.ô

(1) Patnitop Development Authority shall enforce processing of bio-degradable waste on site of generation of such waste through composting or bio-methanation, as far as possible, at RWAs (Resident Welfare Associations), group housing societies, markets, gated communities and institutions with more than 5000 sq. m. areas, all hotels and restaurants, banquet halls and places of such nature. Preference shall be given for on site processing of biodegradable waste generated by other waste generators as well.

(2) Bulk generators who fail to install waste processing units within their premises shall be liable for fine to install such processing units with time line envisaged in the notices. If they perpetually fail to establish waste disposal system within six months after first notice issued to them, the Patnitop Development Authority are empowered to seal such erring bulk waste generating business establishments.

(3) Patnitop Development Authority shall enforce that markets dealing with vegetables, fruits, flowers, meat, poultry and fish waste while processing bio-degradable waste ensure hygienic conditions.

(4) Patnitop Development Authority shall enforce processing of horticulture, parks and garden waste separately in the parks and gardens by the generators.

(5) Patnitop Development Authority shall involve communities in waste management and promote home composting, bio gas generation, decentralized processing of waste at community level, subject to control of odour and maintenance of hygienic conditions around the facility.

months will be charged instead of twelve months. Similarly, for six months advance payment, five and half months demand amount will be charged instead of six months.

(7) The user fee mentioned in Schedule-I shall stand automatically increased by 5% after every 3 years with effect from 1st January of the year.

(8) The user fee shall be collected only by the institution/person authorised by the competent authority by a general or special order in this behalf.

(9) In case of default of payment of user fee/fine, the competent authority may recover the same from the defaulter as an arrear of land revenue as per the provision of Land Revenue Act, 1996. However, Patnitop Development Authority, Kud shall be allowed to effect the recovery under the provisions of Jammu and Kashmir Land Revenue Act, 1996.

12. Fine/Penalty for contravention of SWM Rules.ô

(1) Whosoever contravenes or fails to comply with any of the provisions of SWM Rules or these bye-laws shall be imposed with fine as mentioned in Schedule-II appended to these bye-laws.

(2) In case of repeated contravention or non-compliance as mentioned in clause (a) above, fine amount for every such default shall be levied per day or month, as the case may be.

(3) The Commissioners shall designate officers for levying fine or penalty by a general or special order in this behalf. The fine/penalty amount is specified in Schedule-II.

(4) The fine or penalty mentioned in Schedule-II shall stand automatically increased by 5% after every 3 years with effect from 1st January of the year.

(5) The fine shall be levied and collected on the spot by the designated officers. In case of non-payment of fine at the spot, the procedure for prosecution prescribed under provisions of the Environment (Protection) Act, 1986 shall follow.

(6) In realization of fines imposed on defaulters, the J&K State Pollution Control Board shall not renew the licenses of hotels and other

No. 34-11] The J&K Govt. Gazette, 23rd Nov., 2021/2nd Agra., 1943. 27
business units unless an NOC is not procured by the business unit/s from
the concerned Patnitop Development Authority.

(7) Fine shall be imposed on the hospitals and allied concerns if they are found mixing bio-medical wastes with other solid waste.

(h) Charges for the material recovery by rag pickers or waste dealers to be decided by the concerned Local Bodies.

(8) Concession to bulk purchasers of compost/plastic/tin and recyclables on the price of by product, if any, as a result of processing of Solid Waste shall be decided by the Patnitop Development Authority.

(j) The cement manufacturing units shall be responsible to lift the RDF from dumping sites and their license renewals be linked with Patnitop Development Authority NOC.

(9) Tippers ferrying building material and causing avoidable waste on the streets shall be liable for fine to be decided by the Patnitop Development Authority but not less than Rupees Five Hundred (500/-) per default.

13. Responsibilities of Waste Generators. (1) Prohibition of littering

- (a) **Littering in any public place** : No person shall litter in any public place except in authorised public or private litter receptacles. No person shall repair vehicles, wash/clean utensils or any other object or keep any type of storage in any public place except in such public facilities or conveniences specifically provided for any of these purposes ;
- (b) **Littering on any property** : No person shall litter on any open or vacant property except in authorised private or public receptacles ;
- (c) **Litter-throwing from vehicles** : No person, whether a driver or passenger in a vehicle, shall litter upon any street, road, sidewalk, playground, garden, traffic island or other public place. No vehicle shall be washed on roads, river banks, near public parks, water bodies ;

(d) **Litter from goods vehicles** : No person shall drive or move any truck or other goods vehicle unless such vehicle is so constructed and loaded as to prevent any load, contents or litter from being blown off or deposited upon any road, sidewalks, traffic island, playground, garden or other public place ;

(e) **Litter by owned/pet animals** : It shall be the responsibility of the owner of any pet animal including dog, cat etc. to promptly scoop/clean up any litter created by such pet on the street or any public place and take adequate steps for the proper disposal of such waste preferably by their own sewage system ;

(f) Disposal of waste in drain etc. no person shall litter in any drain/river/open pond/water bodies.

(2) **Burning of waste** : Disposal by burning of any type of solid waste at public places or at any private or public property is strictly prohibited.

(3) **Clean Area** : Every person shall endeavour that any public place in front of or adjacent to any premises owned or occupied by him including the footpath and open drain/gutter and kerb is free of any waste, either in solid or liquid form.

(4) For Public Gatherings and Events organised in public places for any reason (including for processions, exhibitions, circuses, fairs, political rallies, commercial, religious, socio-cultural events, protests and demonstrations, etc.) where the permission from the Police Department and/or from the Patnitop Development Authority is required, it will be the responsibility of the organiser of the event or gathering to ensure the cleanliness of that area as well as all appurtenant areas.

(5) Refundable Cleanliness Deposit, as may be notified by the Patnitop Development Authority, will be taken from the organiser, by the concerned zonal office for the duration of the event.
